

Herschel Grammar School – Determined Admissions Arrangements **September 2020 Entry**

1. The school's planned admission number (PAN) is 150.
2. Pupils will be admitted to the School at the age of 11 on the basis of their ability and aptitude as determined by their performance in 11+ entrance examination set and administered by the Slough Consortium of Grammar Schools. The procedures for the examination are outlined in the Slough Consortium of Grammar School – a Guide to the 11+ Entrance Examination document published annually by the Consortium.
3. All children whose Education Health and Care (EHC) Plan names the school will be admitted (Note a).
4. A standardised score of 111 or above in the entrance examination means that an applicant is eligible for consideration for admission to the School.
5. Where the number of eligible pupils reaching the required standard in the 11+ entrance examination exceeds the number of places available, places will be allocated according to the following oversubscription criteria in this order of priority:
 - (i) Looked after Children who are being accommodated, or who have been taken into care by a local authority under section 20, 31 or 38 of the Children Act 1989 (Note b).
 - (ii) Pupils living within the school catchment area, which is defined as a home address within 4 miles of the school. Distance will be measured in a straight line from the front door of the child's home address (including flats) to the main entrance gate of the school, using Slough's Geographical Information System (GIS), with those closer to the school receiving the higher priority (Note c).
 - (iii) Up to a further 10 places will be offered to eligible applicants with a home address within 10 miles of the school who are eligible for the Pupil Premium at the closing date for submission of the Common Application Form (Notes c and d). Distance will be measured as stipulated in section 5 (ii).
 - (iv) Children of permanent members of the school staff who have been continuously employed by the school for a period of not less than 2 years prior to the closing date for applications.
 - (v) The remaining places, up to the PAN of 150, will be allocated to pupils in rank order of performance in the examination.

In the event of one or more eligible pupils being tied for a final place or places within criteria (ii), (iii) or (v), priority will be decided according to proximity to the school. Distance will be measured as stipulated in section 5 (ii).

6. Once all offers of places have been made according to section 5 above, any remaining applicants that have demonstrated eligibility for a place through scoring 111 or above in the 11+ examination but were not offered a place initially due to over-subscription, will be placed on a waiting list. The position of each applicant on the waiting list is determined through the application of the over-subscription criteria above. Each time an applicant joins or leaves the waiting list, the rank order of remaining applicants will be re-assessed.

If a new applicant expresses an interest to join the waiting list, his/her position will be assessed through the administration of the 11+ examination, provided the eligibility score of 111 is reached. Accordingly, the position of other applicants on the waiting list will be re-drawn.

The waiting list will operate until 31 December 2020.

7. No child will be admitted to the school, other than at the start of Year 7, unless there are available places and they are eligible in the school's entrance examination.

Any pupil who has taken the Slough Consortium 11+ entrance examination and who has not achieved the eligibility mark will not be permitted to re-sit an entrance examination for Herschel Grammar School whilst in Years 7-11 and will not be considered for entry into the school. Once a pupil has sat an in-year entrance examination for Herschel Grammar School or another school within the Slough Consortium and are not considered to be eligible, no further opportunities for testing will be given in Years 7-11.

8. The planned admission number for Year 12 is 160. The intended number of students admitted from outside the school is 50-60. There are a variety of A Level courses on offer, each with different entry criteria. Full details of the Sixth Form admission requirements (both general and the subject specific) are published annually in the Sixth Form Course Information Booklet which is available on the school's website. Conditional offers of Sixth Form places will be based on whether an applicant's predicted GCSE grades meet these requirements. In place of GCSE, NARIC verified overseas equivalents will be accepted.
9. The school will establish arrangements for all appeals against non-admission, which will be independent of the school.
10. The school will publish details of admissions and appeals arrangements every year.

11+ Examination Arrangements

11. Herschel Grammar School is part of the Slough Consortium of Grammar Schools, and operates the CEM 11+ entrance examination to assess eligibility of students through ability. A standardised score of 111 is the minimum score required to be eligible for consideration for admission, as described above.
12. Full details of the examination arrangements, including key dates and an examination familiarisation booklet can be found on our website.
13. For September 2020 entry, the 11+ entrance examination will be held at one of the Slough Grammar Schools on Saturday 14 September 2019, for children born between 1 September 2008 and 31 August 2009. Applicants will be advised at which school their examination will take place.
14. If an applicant is unable to sit the entrance examination on Saturday 14 September 2019, such as due to the child's sickness, parental sickness, transport failure, the school should be advised before 5pm on Saturday 14 September 2019, by emailing the admissions officer on athorne@herschel.slough.sch.uk explaining reasons for the applicant missing the examination. Relevant evidence will be required. Other circumstances such as a clash with another 11+ entrance examination for admission to a different selective school, religious observance etc must be advised to the Consortium by deadline of registration.

An alternative examination date has been set for Monday 23 September 2019, for applicants unable to take the examination on Saturday 14 September 2019.

15. The CEM 11+ Entrance Assessments are targeted at the expected age range for Year 6 children. If applicants are out of the normal age range, where pupils are too young or too old for Year 6 because of, for example, being accelerated through primary school due to exceptional ability or being held back a year due to poor health. The examinations are intended to be administered in

Year 6, sat on the main examination date or as close to that date as possible, and within the academic year of the examination.

Pupils with a date of birth before the expected date have their age capped because they would be unduly penalised for being in the year group below that for their age.

Pupils with a date of birth after the expected date have their age capped because the child would need to be able to work at the level of the rest of their cohort, and so are not inappropriately advantaged by being tested a year early.

NOTES

- a) An Education Health and Care Plan is a plan made by the local authority under Section 37 of the Children and Families Act 2014 specifying the special education provision required for that child.

Section 39(2) of the Children and Families' Act 2014 says that the local authority must consult the school before naming a school on the EHC plan and section 39(4) gives the only reasons why a school should not be named. These are "a) the school or other institution requested is unsuitable for the age, ability, aptitude or special educational needs of the child or young person concerned, or b) the attendance of the child or young person at the requested school or other institution would be incompatible with – (i) the provision of efficient education for others, or (ii) the efficient use of resources." Pursuant to this act, Herschel Grammar School will work with recognised authorities to ensure that a child with an EHC plan is suitable.

- b) Priority will go to children who are legally defined as looked after by the local authority at the time an application to the school is made, and young people previously looked after, who are children defined as those who were looked after, but ceased to be so because they were adopted (in accordance with Section 46 of the Adoption and Children Act 2002), or subject to a residence order (in accordance with Section 8 of the Children Act 1989) or a special guardianship order (in accordance with Section 14A of the Children Act 1989).
- c) In applying these admission arrangements, your home address will be defined as the place of residence of the parent with whom the applicant spends the majority of his/her time. This address must be the address where the applicant is living at the time of application and before the closing date for applications (31 October). Where parents share responsibility for part of the week, then both home addresses must be quoted. The school will check the authenticity of the home address stated.
- d) Parents wishing to have eligibility for Pupil Premium considered as part of the admissions process must be able to demonstrate that they are in receipt of free school meals at the closing date for the Common Application Form, or have been in receipt of income-related free school meals at any time since 1 September 2014.

March 2019
